Think On This...

Our nation is 250 years old, a pretty good stretch for all that we have been through as a nation. 250 years after Jesus Christ returned to Heaven the church was starting to show up all over the known world. Thank about that, no internet, no cell phones, no planes, no cars, no copy machines, no AI, just people telling people what God has done.

Unfortunately, in this time period a very bad theology was starting to grow. Gnosticism was a major heresy in the early 3rd century, teaching that salvation came through secret knowledge (gnosis) rather than faith in Christ. Yet Christ never did anything in the dark. Jesus said, "I have come as Light into the world, so that no one who believes in Me will remain in darkness." (John 12:46)

Faith in Christ comes through hearing the clear word of God, examining the evidence and forming an opinion about that evidence. Is it reliable? If so, will I put my complete trust in Him? Being all in with Jesus takes no "special knowledge," it takes faith in the revealed person of Jesus Christ.

Thanks for rolling with a brother!
