Think On This...

Contentment Is An Attitude
Poet: Catherine Pulsifer

Contentment is an attitude
That many of us pass by
Focusing on the things we have yet to
get
Rather than a smile we sigh!

It's something that demands patience
and joy
For all of life has to give
When content we can enjoy even small
gifts
Making life here so much more to live.

Let not discontentment find a space in
your heart
Fill it instead with gratefulness and
gratitude
Rather than obsess over what could
have been or will be,
Be satisfied with what you have, adjust
your attitude.

But Godliness actually is a means of
great gain when accompanied by
contentment.

(I Timothy 6:6)

How is your contentment level?
